There were no UK Records claimed from this tournament.

My thanks go to our three Judges, who oversaw everything so smoothly, and to our Lord Patron Edward Kain for doing the awards presentation so graciously.

A Big thank you to all those who turned up on Saturday Night to help with setting up, and for the small band of dedicated "Helpers" with the scoring, Raffle etc. Without these willing volunteers the Tournament would never happen.

And finally thank you all the Archers who took part, and made this a successful day.
