## Newnham Special Event – REPORT

*By: Zoe Snell, Newnham Club Secretary*

Newnham Archery Club recently hosted **Together We Can Inclusive Activity Club** for a free activity session. 24 members of the club came to experience archery and for some, it was their very first time.

**Together We Can** is an all-inclusive club for people with disabilities aged 8 to 80, based in and around Cinderford, Gloucestershire. They provide a weekly programme where people of all abilities are able to socialise and meet new friends in a safe environment while giving their families a few hours of respite a week.

They had a fantastic time, and everyone was amazing at learning new skills. We have invited them back again next year for another go.

Thank you to our amazing Coaches, Mike, Ade, Susan and Pete for providing them the opportunity.

### Unclaimed Records:

Please note that Regional Records have not been claimed for a great number of distances and rounds. This may be because they are new rounds, new age group categories or they are for longer distances for most age groups.

While records can be claimed for juniors shooting longer distances, please be mindful of safety and potential injury for juniors shooting bigger distance rounds.

## GB Run Archery News

The Run Archery series finals were hosted by Harlequin Bowmen on 15 August. Deer Park's **Ethan Hendry** entered the finals and tied for first place in the series. He proceeded to take 1st place in the sprint race and 2nd in the 4K. Ethan is now at the top of the table and has successfully retained the Open Senior Championship title.

Upcoming Run Archery European Cup:

**Ethan Hendry** and Cleve's **Alec Thomas** (who was unfortunately unable to make the series finals) have both been selected for the GB Run Archery team and will be going to compete in Poland this October. I will also be attending as GB Team Manager.

## County Team Rankings

Rankings are updated weekly on our county webpage ([www.glosarchery.com](http://www.glosarchery.com)) and can be found in the drop-down list under "Records".

To be included on the team rankings, you will need 3 scores from prestige rounds shot this season. Here is an outline of how the ranking table will work:

- we will only be taking scores from "Prestige" rounds (WA720; York/Hereford/Bristol and WA 1440/Metrics). You can "shoot up" to longer rounds but rounds for shorter distances will not count.
- scores will be accepted from record-status or non-record status tournaments
- scores will be converted into handicaps, the average of your best 3 handicaps will be used to create the rankings
- the scores will be added by the team manager. However, if any have been missed, please complete this online form:

<https://www.cognitoforms.com/GloucestershireArcherySociety/GloucestershireArcherySocietyCountyRankingScoreSubmissionForm>
